

Glenmore Lodge Environmental Improvement Plan 2011/12

Below is a summary of the environmental improvements we are planning to do during 2011/12. For up-to-date progress please look on our website or on our Environmental Notice Board.

1. Sharing our values with our customers, telling them what we are doing and how they can support the process

- ✚ Move the green notice board and keep info updated
- ✚ Improve the environmental information available on the website
- ✚ Set up a 'Green Events' Package.
- ✚ Apply for environmental awards e.g. VIBES, Public Sector Sustainability
- ✚ Get the message out - Tell people what we have done and are doing

2. Transport and travel

- ✚ Reduce course mileage in minibuses
- ✚ Promote options for sharing transport
- ✚ Look at ways of promoting use of public transport
- ✚ Look at options for the replacement of the Polo Bluemotion.

3. Waste management

- ✚ Continue working towards becoming waste neutral
- ✚ Continue to use, record and monitor impact of Big Hanna.
- ✚ Measure amount of waste and recyclables generated and disposed of.
- ✚ Implement ways of reducing food waste

4. Energy

- ✚ Replace heating in common room area
- ✚ Install solar panels
- ✚ Look at achieving Carbon Trust Standard
- ✚ Ensure any alterations to building include options for renewables and improve energy efficiency.

5. Procurement

- ✚ Plan, cost & promote a lunch menu comprised of ingredients which are sourced from within the national park as an option for tailor-made groups.
- ✚ Send out environmental questionnaire and request environmental policies from suppliers
- ✚ Ask suppliers to take away / reuse packaging
- ✚ Consider environmental & socially responsible banks when choosing new bank for Mountain rescue account

6. Our community & environment

- ✚ Staff work on a project to improve the local environment
- ✚ Continue with 10:10 initiative to reduce energy and fuel consumption by 10% each year.
- ✚ Continue to seek projects to allocate our environmental levy to
- ✚ Have a staff training day focussing on environmental issues
- ✚ Issue the Green Book
