

GLENMORE LODGE ENVIRONMENTAL & SOCIAL RESPONSIBILITY POLICY

We understand the fragile and special nature of our environment and we will ensure that activities are sustainable as far as is possible.

We are committed to making environmental improvements and we will take a responsible approach to the efficient use of our resources and waste management.

We will communicate high standards of sustainable good practice to our customers and students attending courses.

(Extract from GL plan 09-11)

We need your help while you are here:

- **Please use the recycle bins—paper, plastic bottles, batteries, cardboard, tetra pak, glass**
- **Please switch off lights and turn down/off the heating**
- **Please reuse your lunch bag**

*Thank You
R.J. Kinnaird
Principal*
