

Glenmore Lodge

Visitor Charter

Wherever we go and whatever we do, we have an impact. Make positive choices and you can help minimise your impact, helping safeguard the environment for future generations.
Have a fantastic visit!

1

Reduce, Reuse, Recycle

At Glenmore Lodge, we try to recycle as much as possible. You can help too by reusing bags and disposing of what you don't need by using the recycling facilities on site.

2

Get Out of the Car!

There are loads of ways of seeing the local area without getting in your car. There are some fantastic places right on our doorstep....just ask!

3

Stay Local, Eat Local, Buy Local, See Local

The Cairngorms is one of this country's best larders—game from the hills, beef and lamb from the strath, fruit and veg from the fertile flood plains and of course beer and whisky from the purest water. Look out for the local farmers markets where you can sample and buy this produce. Our bar sells a selection of local beer and whisky and we aim to use local, seasonal produce in our Dining Room.

4

When in Rome...

To enjoy the Cairngorms at their best, we can help you get to know all the nooks and crannies in the local area — it's a vast area, but chances are most of the people you meet will have their own stories and special recommendations—make the most of their local knowledge!

5

Chill Out, Switch Off!

You can see the stars at night if you step outside the building. Help us reduce light pollution, energy use and CO2 emissions by switching off lights when you don't need them. Help us to reduce water consumption by using just the water you need; and then sit back and enjoy the view...
