Using Existing Qualification for Accredited Prior Learning.

- Any qualification you wish to use for APL must be current.
- You must hold the relevant membership/licence for the qualification with the appropriate qualifying body.
- You must currently be in possession of any Continual Professional Development points required by the qualifying body.
- If you are granted access into a higher level of the UKSS Off-piste pathway (e.g. Mountain Snowsport Leader) you will not be granted the lesser qualifications (e.g. SSL or BSL) unless you successfully complete the relevant assessment.
- You will only hold the UKSS Off-piste Qualification you have been assessed for.
- If you wish to access the scheme using APL you must contact the Snowsport Scotland/Glenmore Lodge prior to entry/booking.
